

Consider the value, not the insurance premium

Hillebrand cargo insurance covers the full value of your sensitive goods (such as wine, beer, foods, bulk liquids...) around the world during the transportation and transport-related temporary storage of goods as well as the scheduled storage of goods up to the maximum stated.

Hillebrand insurance package

- Covers the full value of your products
- All transport modes and container types
- Management of the full process for you
- Fast settlement – payment
- Competitive pricing

In partnership with Willis Towers Watson, experts in global marine brokerage
